

PRINCIPAL'S MESSAGE

We have so much to share with you in this iteration of our newsletter that I shall have to be uncharacteristically brief in my message. Lots to be proud of here at Blyth TH this month!

- *Ms. Foley*

Model United Nations (MUN)

On January 12 Blyth TH students from our Social Justice and Recreation Leadership classes joined our MUN extra-curricular club members in participating in Blyth's inaugural cross-campus Model UN Conference at the LP campus. Committees included the United Nations Security Council, the Organization for the Prohibition of Chemical Weapons, the United Nations Framework Convention on Climate Change, the Marvel Civil War and the Hunger Games. 70 student delegates, representing over 50 unique characters and countries worked together to draft resolutions on various global issues. Congratulations to all of the delegates from all participating campuses and a special congratulations to our own Neehana F., Winner of the Gavel (Best Delegate of the Day) and Halimah K., who received an honorable mention for her work on the OPCW committee.

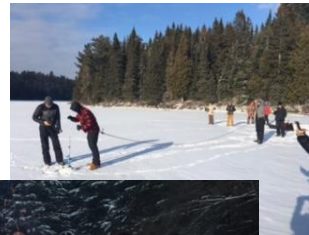

Term 2 Final Assembly

At our most recent assembly, students read "Shout Outs!" written to their peers and Blyth TH faculty for awesome things they have done to make others in our community smile this term. Definitely an assembly tradition to continue! Congratulations to Sara T., Student of the Month!

Recreation Leadership Trip

The Rec Leadership classes from the TH and LP campuses spent an incredible week in Algonquin Park together. Hosted at the Wildlife Research Station by our partners at Tapley Nature Trails, students participated in leadership and team-building development activities in the great outdoors. Our students showed great initiative, volunteering as leaders, hiking daily through rough terrain, building fires on ice, and creating shelters. Students returned pleas to make the trip longer next year!

UPCOMING EVENTS

- FEB 1st** - T2 Exam Day 1
