WELCOME, MS. MADIGAN!

As the new principal of Blyth Academy's London Campus, I am excited to introduce myself to you and become a member of this incredible learning community. I am committed to excellence in education and have devoted my entire 25-year career to ensuring students have the best learning experiences in and outside the classroom. I believe personalized education that focuses on the development of the student both academically and personally is the key to student success and this is the school experience that is offered to our students at Blyth Academy.

As an educational leader my passion is to encourage, engage and empower people to be their best while being supported by healthy relationships with one another, shared goals and a shared vision. I believe all students need access to a continuum of life enriching opportunities supported by people in a school community who value, respect and care about them. Through close working relationships and community partnerships with everyone connected to Blyth Academy London, we will continue to make our campus an exemplary place for our students to learn and develop the knowledge, skills, and attitudes necessary for them to thrive as thinking, physically active, valued and contributing leaders of our global society.

I am truly honored to be appointed the Principal of Blyth Academy's London Campus and look forward to working with our dedicated staff, students and families to provide an inclusive school culture filled with meaningful learning opportunities to support student achievement and well-being. I am available to meet with you throughout the school year. Please feel welcome to contact me at anytime.

Kind Regards,

Beverley Madigan, Principal

Blyth Academy - London Campus

From the Guidance Office

Welcome to the 2018-2019 school year to all of our new and returning students.

I look forward to meeting with all of our students throughout the year, and helping them plan for their future.

Please keep an eye on your emails as well as the Edsby River for updates and important meetings with Guidance.

As always, if you have any questions, please feel free to contact me by phone, email, or stopping by.

Ms. Pedersen

Important Information

In the coming days you will be receiving a Welcome Package that includes copies of our policies, a copy of the school calendar, and other important information. Please review all of the information carefully and return all required forms to Ms. Golshan by the first day of school.

TPH ANNOUNCEMENT

On Thursday, September 6th and Friday, September 7th, TPH students will not meet at the Western Fair, but will be dropped off directly at school. Morning skates will start on Monday, September 10. If you have any questions, please reach out to Dwayne Blais directly.

TPH students will be receiving a registration email from Blyth Academy Online to register for the online PAF10 or PAF20 course for an extra credit at the end of the year. Please watch for this email and return the information promptly to ensure that your child has their log in for the first day of school. Students taking this course are given a work space on Friday mornings at 10 am, and are encouraged to use their time wisely to finish the course in a timely manner. Students are also encouraged to work on this course outside of this one hour time block to ensure that they stay on top of the course throughout the year.

Please direct any course specific questions for the online courses to Blyth Academy Online, or your child's online teacher.

Introducing Edsby

Out with the old, and in with the new! We are happy to announce that we are working with a new platform for students and parents to keep a close eye on academics and events for the 2018-2019 school year. Students and Parents will receive their Edsby login shortly, where grades, progress, and attendance can be monitored.

Edsby has a lot of features that parents and students can utilize to make sure they are on top of all academics and events at Blyth Academy London this year.

Student Council

Have you ever considered running for student council? Would you like to add some quality experience to your resume, and receive a letter of reference from our Principal? We will be holding a school assembly in the first few days of the school year, where information will be given about how to run, and the requirements of each position.

Students are encouraged to take advantage of this great opportunity to be involved in their school community.
