

Model UN had their first outing. Congratulations!

Math Club meets in room 8 every Thursday at lunch!! Come out and join in competitions. Build your university resume!

Oct 31: Halloween Party (wear your costumes!) at lunch...

2- Door decorating contest!
Reminder to period 2 classes that there will be a door decorating contest for Halloween! The contest will be judged on October 31st, and the winning class will get a free pizza party! Get creative....

FACULTY PROFILE: WHAT YOU DON'T KNOW ABOUT MELTEM CALISKAN

Ms Caliskan teaches in the science department at Blyth academy Yorkville. What you may not know about her is aside from her passion for teaching, she LOVES to travel!

Coming originally from Turkey, Ms Caliskan declares it

to still be the best place in the world, but is always excited to explore new places.

Next on her list is Moscow and then Prague.

BEING BRILLIANT!

The grade 11 Entrepreneurship class worked hard to come up with different initiatives to raise money for the Terry Fox Foundation. There was a Doggy Pageant, a candy jar, and a candy jar raffle. Together the 3 groups raised almost \$300 over the course of a month, culminating in a school wide Terry Fox run to Queens Park and back on Tuesday. The candy jar offering jolly ranchers ended up raising \$110. and qualified for a free pizza lunch which they graciously invited the whole class to.

In the rain no less...!

The "running" portion of the Terry Fox run...

A banner featuring a group of diverse high school students standing in front of a building. The text "Celebrating 50 Years of Impact in Central Ontario" is overlaid on the image. Below the image are three logos: "50 ANNIVERSARY HOMECOMING" in green, "JA Central Ontario A Member of JA Canada" with a green triangle logo, and "I am JA" with a green triangle logo.

A representative of Junior Achievement came to Blyth Yorkville to present a fantastic opportunity for our students. They can apply to enter a company program that runs in downtown Toronto for the next 18 weeks. It is an entrepreneurial and career skill-building mentorship program for high school students and operates all over the world. Students can still register at www.jacompanyprogram.org. Several of our students have already signed up. The program starts next week, but it's not too late to sign up!

As we count down the last few remaining days of Ms Fatigati's presence in the school, the Foundations students threw her a surprise party today!
